

**International House Vancouver**

## Children's Adventure Program (CAP) 2018

IH Vancouver offers the CAP for **children aged 5-12** of all English abilities. This program is **theme-based** and combines educational lessons with in-class activities and excursions. The program includes **2 full-day field trips per week**. Our CAP staff are all accredited and **certified elementary school teachers** who have direct experience teaching international students.

Our small classes provide an intensive and immersive learning environment. Children interact with peers from all over the world, making friendships that will last a lifetime.

### Families and IH Vancouver

The campus for the Children's Adventure Program is located only a short distance from the adult program (10 minutes by Skytrain). This program is ideal for **parents looking for an English course while their kids are studying** at the children's program. Adult program hours are conveniently arranged to allow drop off and pick up of students from the CAP and Junior programs. The school has **numerous weekend excursions** available for families to popular places such as the Rocky Mountains, Whistler, Victoria, and Tofino.

\*IH Vancouver does not accept unaccompanied minors under the age of 12 for homestay programs.
